Because of continuing changes in products, building codes and availability of materials, Builder reserves the right to incorporate new and improved design features at any time without notice or to use equivalent materials. All dimensions shown in this brochure are approximate and plans, specifications and standard features are subject to modifications and improvements at any time without notice. Room dimensions may vary between the brochure, model homes and the individually built homes. The brochure illustrations are artist's concepts and may vary in detail from plans and specifications. Direction of front stoop and number of steps down to leadwalk vary per plan.
